

# How is LOOM keeping members healthy? Check out some of our updated protocols:

- High-touch, high-traffic areas are sanitized daily.
- Hand sanitizing stations throughout.
- Supplies provided for sanitizing own dedicated and hot-desking stations.
- Coworkers are provided their own office supplies!
- All members & guests sign in stating vaccination status, acceptance of protocols, and non-exposure.

## Doing all we can to protect and help remote workers or Fort Mill!

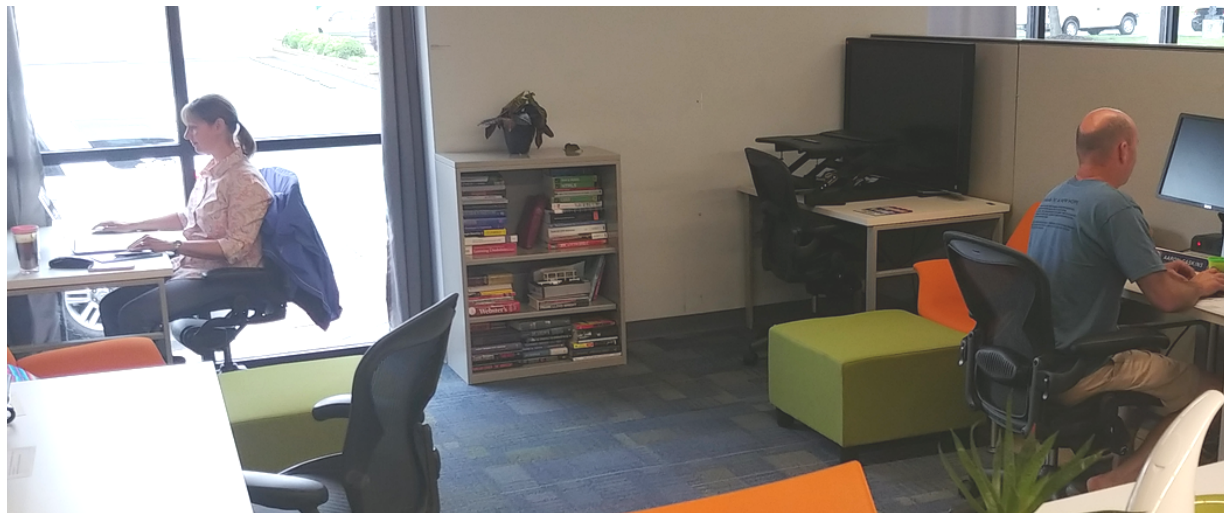

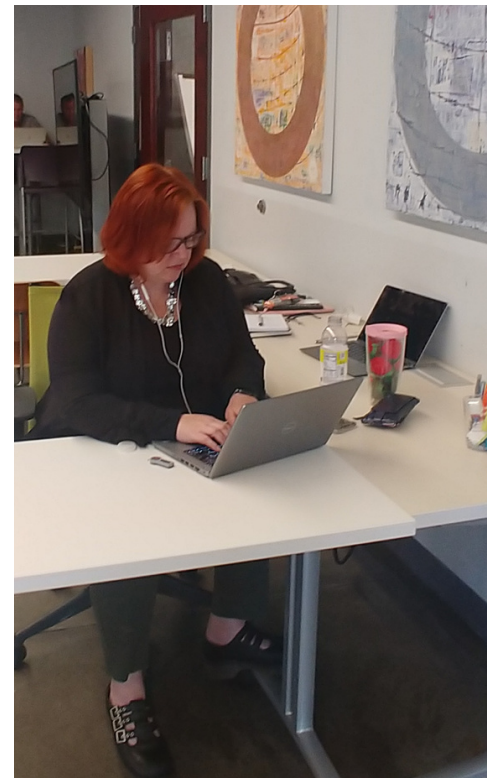

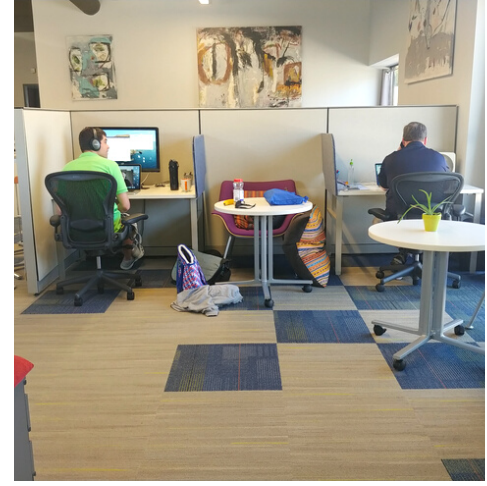

# What is LOOM doing to keep members healthy? Here are a few of our updated protocols:

- All non-vaccinated hotdesking members and guests will be required to work on the left (Gallery) side of the main building or in the Studio building.
- Vaccinated members may work anywhere in the 6000 sf facility!
- Workspaces remain de-densified & reoriented to provide 6-12ft of distance between all coworkers with physical barriers provided wherever possible.

## Keeping remote workers of Fort Mill safe, happy and productive!

**LOOM**  
COWORKING COMMUNITY, GALLERY & EVENT SPACE

## What is LOOM doing to keep members healthy? Here are a few of our updated protocols:

- All meetings with outside guests should take place in the Studio building unless guests provide proof of vaccination.
- Members sanitize shared meeting rooms after each use.
- Meeting room capacities are reduced by 50% or moved to larger spaces.
- Meeting room use is still INCLUDED for coworking members!

# Can I still come tour and try a free day of coworking? Yes!

- Day passers and those doing a free trial day of coworking are provided workspaces based on vaccination status.
- Amenities such as coffee, supplies, printers, etc. are provided in both buildings.
- Tours are scheduled during lower use times.
- Non-vaccinated guests are asked to wear masks in public areas.
- Online tours are also available.

## Remote workers of Fort Mill are welcome to try out Coworking!

**LOOM**  
COWORKING COMMUNITY, GALLERY & EVENT SPACE

# How is LOOM keeping event guests healthy? Here are a few of our updated protocols:

- Capacities for all event spaces and meeting rooms remain reduced by approximately half.
- Layouts for events can be adapted to allow for at least 6ft between each individual.
- Use of outdoor spaces is encouraged!
- All spaces sanitized before events.
- Sanitation supplies also provided for all users.
